WORK EXPERIENCE

Lake Forest Elementary School

Lake Forest, CA

Saddleback Valley Unified School District

August 2019-June 2021

1st & 3rd Grade Teacher

- Created eLearning lesson plans and choice boards for all content areas to guide and support 1st grade teachers in the district during distance learning
- Stimulated learning through Cognitively Guided Instruction to promote math growth mindset, academic discourse community, higher-order thinking, and real-world application
- Enhanced Social Emotional Learning by integrating welcoming rituals, class circles, optimistic closures, and Second Step Program
- Collaborated actively during Professional Learning Community to effectively provide data driven instructions to support diverse learners
- Interpreted for parents, teachers, speech pathologists, and other school site personnel during conferences and IEP meetings in Korean

Olivewood Elementary School

Lake Forest, CA

Saddleback Valley Unified School District

August 2016-August 2019

2nd Grade Teacher

- Implemented blended learning and 21st century skills using virtual field trips, Nearpod, Seesaw, Google Classroom, Google Slides, and Google Sites
- Differentiated instruction during Reader's Workshop and scaffolded to meet the diverse needs of the class resulting in an increase of two reading grade levels in one year
- Provided assessment-based reading instruction using phonemic awareness and phonics as part of Benchmark Advance
- Led Reader's Workshop presentation, organized Family Steam Night, and participated in Instructional Rounds by gathering data to refine the school-wide Problem of Practice
- Co-authored second grade Next Generation Science Standards Units for the district using GLAD strategies, inquiry-based learning, and technology

Hansen Elementary School

Anaheim, CA
